The Bulimia Anorexia Nervosa Association (BANA) is a not-for-profit, registered charity, community-based organization servicing the counties of Windsor-Essex, Chatham-Kent and Sarnia-Lambton in Ontario, Canada. Since 1983, we've been committed to the provision of specialized treatment, education and support services for individuals affected directly and indirectly by eating disorders.

As the primary regional source for the prevention and treatment of eating disorders, BANA is a leader in the promotion and acceptance of diverse body shapes and sizes through the adoption of a healthy, balanced lifestyle. Since its inception, BANA has provided services to thousands of individuals of all ages, genders and social/economic backgrounds with an ongoing case load of approximately 300 clients. In addition, we annually organize and host 250 educational health promotion presentations and programs that reach more than 20,000 children and adults.

Services are provided without age restrictions and are supported by the Ministry of Health and the Erie-St. Clair LHIN.

We are proud to count not only services providers and supporters of our programs as members, but our clients and their families as well.
